Medical Provider Network (MPN) Implementation Notice

As an employee of SDI Staffing, you are covered under our workers' compensation insurance policy through Everest National Insurance Company. Should you sustain an injury while on the job on or after 01/20/2005 and require medical treatment covered under our workers' compensation policy, you will be treated by providers in the Medical Provider Network (MPN), Everest Medical Provider Network (# 1719), unless you pre-designate a physician or medical group prior to your work injury.

If you have an existing injury, may be required to change to a provider in the MPN. Check with your claims adjuster. You may obtain more information about the MPN from the workers' compensation poster in our office or online at
