

COVID-19 Return to Work Policy

SDI Staffing is committed to mitigate the spread of COVID-19 and maximize the safety of all our employees.

1. Employees who test positive for COVID-19 or have symptoms of COVID-19 should stay at home and [self-isolate](#).
2. Employees with COVID-19 should not return to work until the criteria to [discontinue home isolation](#) are met, in consultation with healthcare providers.
3. Employees with COVID-19 can return to work when:
 - At least 10 days have passed since symptoms first appeared AND
 - At least 24 hours have passed since fever went away without the use of fever-reducing medications and improvement in other symptoms
4. If the employee did NOT have symptoms but has a positive COVID-19 diagnostic test, they can return to work:
 - After 10 days have passed since the date of the positive COVID-19 diagnostic test.

Limit the Spread:

Continue to use the resources available to you to prevent introduction or re-introduction of COVID-19 into the workplace and home.
